

Dairy Cattle Show

Department 220

Superintendent - Adam Thompson 865-661-2317

Dairy Advisory Committee

Jeff Mitchell

M.J. Montgomery

Robert Scarlett

Dairy Exhibitor's Breakfast, Sponsored by Dairy Farmers of America
Sunday, September 10th at 8:30 a.m., Livestock Barn Area

Entry Deadline: Friday, September 1, 2017

We strongly encourage exhibitors to register their animals online!

**PLEASE NOTE ALL ENTRIES MUST BE
COMPLETED ONLINE STARTING IN 2018**

REMINDER TO ALL PRODUCERS: Bring Production Records
Production Award Premium will be given to the highest producing cow in each breed.
(see rule 14 for production information)

Attention All Exhibitors: Please notify the Superintendent ASAP if for any reason you are unable to exhibit.

Rules

1. Applications for entry must be made on enclosed "Open Show" Entry Form accompanied by a fee of \$10.00 per person for exhibitor's ticket and \$10.00 per stall. Catalogs and Entry Forms can be downloaded from the Tennessee Valley Fair website: www.tnvalleyfair.org. Entries may be submitted online after July 1, 2017 by visiting www.tnvalleyfair.org. Everyone must have a ticket to enter the Fairgrounds. When entries exceed stall or pen capabilities, animals will be accepted according to the date entries are received or date postmarked, whichever is first. Stall assignments will be made as applications, accompanied by the required fees, are received.
2. Application for entry where the age determines the lot or lots for which the animal is eligible, must give exact date of birth.
3. **All late entries, those made after September 1, 2017, will be required to pay a late entry fee of \$15 per stall.**
4. All applications for entry of cattle in individual lots must be accompanied by the animal's name, registry number, exact date of birth, breed, sex, sire/dam information and breeder information. Animals composing a competitive herd or group must have been shown in one of the individual lots.
5. The pedigrees of all animals entered must be recorded in the recognized herd book for the breed, and animals shall be recorded in the name of the exhibitor. Certificates of registration must be available. Animals that cannot be identified by tattoo or color markings shall not be eligible to be shown.
6. All animals for exhibition shall be in place by noon, Friday, September 8th and will be released as indicated under each class. Animals are not allowed in the barns until noon, Thursday, September 7th. **No more than 2 changes per exhibitors, notify Superintendent immediately with any deletions or additions.**
7. Exhibitors of livestock must inform themselves when their stock will be judged, and stock must be in the show ring and in line promptly after being called. Stock not in the ring on time may be ruled out from competing.
8. 4-H and FFA animals shown by members of the same family may be shown in the groups, provided they are shown in their respective classes.
9. Animals belonging to a recognized partnership may be recorded on the registration certificates in the name of the partnership or in the name of either of the individual partners, provided all animals shown come from the same herd. This rule applies only to group classes.
10. Exhibitor is defined as the owner recorded on the registration certificate. For the Breeders' Herd Lot and for the Premier Exhibitor's Lot the definition will be interpreted to include the exhibitor and current or former 4-H or FFA projects that are maintained on the exhibitor's dairy. The breeder is defined as the breeder recorded on the registration certificate. For the Breeder's Herd and the Premier Breeder lots the interpretation will be that "bred by" animals must possess the same prefix or have the same individual(s) listed as breeder.
11. Premier Exhibitor's Award—The exhibitor winning the most points not to exceed six animals owned and exhibited by himself in the open single lots shall be designated the Premier Exhibitor. The scale of points will be the same as that for determining Premier Breeder.
12. Premier Breeder's Award—The breeder winning the most points not to exceed six animals in the open single lots, exhibited by himself and/or other exhibitors shall be designated the Premier Breeder.

Tennessee Valley Fair provides a Milking Facility to exhibitors in the Cattle Barn.

The point system for determining Premier Breeder is as follows:

Placings	1	2	3	4	5	6	7	8	9	10
Points—Senior Females	20	18	16	14	12	10	8	6	4	2
Points—Junior Females	10	9	8	7	6	5	4	3	2	1

12. National Dairy rules shall govern, so far as practical, cases not covered in the rules of this show.
13. Cows, 42 months old or older, to be eligible to show, must have produced a calf carried to maturity within 18 months preceding the show. Affidavits must be filed at time entries are made substantiating the above facts and giving date of birth of last calf produced.
14. Production Awards will be based on Milk ME of current lactation, or previous lactation if current Milk ME is not determined.
15. In each of the Milking Classes first and second best udder will be selected by the judge. Selection to be based on udder alone.
16. Each superintendent must check the health and registration papers for each exhibitor.
17. Dumping of milk into drains or on the grounds is not allowed. Sale of milk is prohibited.
18. No torching of hair.

The Purebred Dairy Cattle Association SHOW RING CODE OF ETHICS

**History: Adopted by PDCA in March 1969;
Revised March 1971; February 1977, 1981, 1986, 1988, 1989, 1992, 1993;
November 1995; April 2003; April 2004; May 2015**

About PDCA

The Purebred Dairy Cattle Association, Inc. is a federation of the national dairy breed registry associations serving breeders and owners of Ayrshire, Brown Swiss, Guernsey, Holstein, Jersey, Milking Shorthorn and Red and White dairy cattle. PDCA and its member organizations promote the added value and profitability registered dairy cattle offer all dairy business owners.

PDCA endorses this Show Ring Code of Ethics for all dairy breed shows and pledges its full cooperative support for its enforcement to show management, show judges, and the national breed associations.

The application of this Code of Ethics provides for absolute responsibility for an animal's condition by an owner, exhibitor, fitter or participant whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of this Code of Ethics. Dairy cattle exhibitors shall at all times deport themselves with honesty and good sportsmanship.

It is recognized that there are certain practices in the proper care and management of dairy cattle that are necessary in the course of moving dairy cattle to and between shows that are advisable to keep them in a sound, healthy state so they might be presented in the show ring in a natural, normal condition. At all times, exhibition livestock shall be treated in a humane manner and in accordance with dairy quality assurance practices so as to protect the health, safety and welfare of the livestock and the consuming public. No person shall present for exhibition or exhibit an animal which he or she knows, or has reason to suspect, is affected with or has been exposed to a dangerously contagious or infectious disease, disease, or illegal or non-approved use of drugs, medication and/or prohibited substance, or residue.

The position of the Purebred Dairy Cattle Association is that all animals presented for exhibition shall be in their natural conformation and structure, free of any alteration or modification by injection or internal or external administration of any substance or by any involvement in unethical fitting.

Grooming and Preparation

Dairy cattle exhibitions are conducted under standards for evaluating conformation established by the PDCA Unified Score Card (2009), with specific breed characteristics taken into consideration by the show judge. In this connection, animals will be groomed and prepared for the judge's evaluation in order to display the animal's natural contour, conformation, performance and mobility. Specifically:

1. Changing the natural color of the animal is prohibited (effective 6/1/2015). However, external applications of cosmetics that affect only appearance may be used, including by way of example hoof polishes and false switches.
2. The maximum allowable length of naturally growing hair anywhere on the topline is not to exceed 1". Exhibitors will be required to comply with this rule before the animal is allowed to enter the ring.
3. Addition of foreign objects, including but not limited to hair or hair substitutes, cloth or fiber, to change the natural contour or appearance of the animal's body is prohibited.
4. Externally sealing the teat end with a preparation that does not harm the animal's skin is permissible. Natural teat placement will be given preference over artificially positioned teats.

Violations: False, Deceptive or Unacceptable Practices

These practices are violations of the Code of Ethics and will be reported to show management and may be reported to the respective national breed associations:

1. Misrepresenting the age and/or milking status of the animal for the class in which it is shown.
2. Treating the animal, particularly the udder, internally or externally:
 - a. with an irritant or counterirritant,
 - b. using a device to artificially create or enhance the udder crease,
 - c. using other substances as detected by testing that causes changes in the udder to artificially improve the conformation.
 - d. plugging of teat canal with foreign substances.
3. Surgical or unethical insertion of any matter under the skin or into body cavities, performed to change the natural contour or appearance of the animal's body (e.g., administration of fluid via a stomach tube or other similar apparatus to fill the rumen), though not to preclude practices required or involved in normal management.
4. Criticizing or interfering with the judge, show management or other exhibitors while in the show ring or other conduct detrimental to the breed or the show.
5. Challenging, threatening or interfering with an ethics committee appointed by show management to monitor the animals on exhibit on the show grounds.

Exhibitor Responsibility

The act of entering an animal in a livestock show is the giving of consent by the owner, exhibitor, fitter and/or absolutely responsible person (hereinafter referred to as "Exhibitor") for show management to obtain any specimens of urine, saliva, blood, milk, or other substances from the animal to be used in testing. Materials may also be collected by ultrasound and photographic methods and by direct examination of animal.

The act of entering an animal is the giving of consent by the owner, exhibitor, fitter and/or absolutely responsible person (the "Exhibitor") to have disciplinary action for violation of this Show Ring Code of Ethics taken by show management, the state in which the show occurs, and/or the national dairy breed association without recourse.

Violations: Reporting and Investigation

Complaints of alleged violations can be reported to the Show Superintendent.

Before An Animal is Shown

If the Show Superintendent suspects that a violation of the Show Ring Code of Ethics will occur if the animal is shown, and that violation is reasonably well established before the animal is shown, the Show Superintendent will submit a report to the Executive Director.

Show Superintendent will discuss the violation with the Exhibitor:

1. If, at the Exhibitor's discretion, the animal in question is not shown, no violation will have occurred.
2. If the Exhibitor wishes to challenge that a violation occurred, he/she/they will have opportunity to appeal to an Ethics Committee. If its decision is not changed, the Exhibitor will be denied opportunity to exhibit the animal in question.

During and After An Animal is Shown

All animals are subject to examination during judging. The judge and Show Superintendent are instructed to examine the top five (5) animals in each class closely for violations of the Show Ring Code of Ethics. When a violation may have occurred, a milkout may be called for. This call may be by breed association rule, or by request of an authorized representative of the national breed association, the Judge, or Show Superintendent.

If an animal is exhibited and a violation of the Show Ring Code of Ethics is subsequently suspected, investigated, and determined to have occurred, the violation will be reported to the Show Superintendent for action. The Exhibitor will be notified of the violation and the supporting evidence and invited to defend or explain the allegations.

Violations are subject to the disciplinary provisions of Show Superintendent, Executive Director, state in which the show occurs, and the national dairy breed association. Sanctions may include any one, or combination of the following:

- forfeiture or return of awards, prizes, premiums or proceeds;
- written letter of reprimand to the owner, exhibitor, fitter and/or absolutely responsible person (the "Exhibitor");
- disqualification of the exhibition livestock from an exhibition;
- disqualification of the Exhibitor from the show;
- publication of offense.

Disqualification may include any or all shows and classes and may be for any number of years.

**Class 1 - Southeastern Regional
Holstein/Friesian Show**

We are pleased that the Tennessee Valley Fair is the permanent home of this show.

Class 2 - Jersey

Class 3 - Guernsey

Open Competitions

All classes and lots to be judged Sunday, September 10th beginning at noon

Animals are not allowed in the barns until noon, Thursday, September 7th. All animals to be shown must be in place by noon, Friday, September 8th and will be released Sunday, September 10th at 11:00 p.m. and must vacate the barns by 9:00 a.m. on Monday, September 11th.

- Reserve Supreme Junior Champion Runner-Up _____ \$ 50.00
- 02 - Supreme Champion Female _____ \$500.00
- Reserve Supreme Female Champion _____ \$200.00
- Reserve Supreme Female Champion Runner-Up _____ \$100.00

The Sam Scarlett Memorial Trophy

The Sam Scarlett Memorial Trophy will be awarded to the Supreme Champion Female of the Open Dairy Show. This award is a rotating trophy: however a replica will not be given to the holder. The holder of the trophy is expected to return the trophy the following year at the show, or prior to the show. This award is made available by the friends of Sam Scarlett. Sam Scarlett was a great man who supported the Tennessee Valley Fair and the Tennessee Dairy industry for many decades.

The Neal Scarlett Memorial Plaque

The Neal Scarlett Memorial Plaque is to be given to the Premier Tennessee Breeder at the Open Holstein Show of the Tennessee Valley Fair. It is to be a rotating plaque with a replica to be given to the holder of the previous year. This plaque is made available by the friends of Neal Scarlett, a long time breeder of Holstein cattle and supporter of the Tennessee Valley Fair.
